

Dear Sir,

I received Summons papers etc. to be served on defendants in my suit against N.Y.C. Police Dept. in the month of June. It is required to serve these papers within 20 days upon receiving the Summons. I came to this facility in/on March 5, 2008. I am humbly asking for extended time to get the appropriate information required to serve the defendants.

I was in Five Point Corr. Facility before any of these documents were sent to me. I filed in February of 08' and didn't receive these documents until mid June. So, clearly there isn't any time to serve these documents. I thank you in advance for your time.

Sincerely yours
RANDY REEVES

P.S.

I'm in the process of obtaining the officer(s) names and badge #No. I also have to amend my Complaint with the name of officer(s) involved.

Approved. Must serve
by 8/29/08.
